INDEPENDENT AUDITOR'S REPORT

The Members,
AJMERA REALTY VENTURE PRIVATE LIMITED
MUMBAI,

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **AJMERA REALTY VENTURE PRIVATE LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

AJMERA REALTY VENTURE PRIVATE LIMITED (2016-2017)

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) on the basis of written representations received from the directors as on 31st March, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B, and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. the Company does not have any pending litigations which would impact its financial position.

AJMERA REALTY VENTURE PRIVATE LIMITED (2016-2017)

- ii. the Company does not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. the Company has provided requisite disclosures in its standalone financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 17 to the standalone financial statements.

ANNEXURE-A to the Auditor's Report

The Annexure referred to in Independent Auditor's Report to the members of the Company on the standalone financial statements for the year ended 31st March, 2017, we report that:

- (i) The Company does not have any Fixed Assets during the year.
- (ii) The Company does not have any Inventory during the year.
- (iii) The Company has granted loans to one bodies corporate covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). In respect of the said loans, the maximum outstanding during the year is Rs.4,59,02,142 and the year end balance is Rs. 4,59,02,142
 - (a) In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the bodies corporate listed in the register maintained under Section 189 of the Act were not, prima facie, prejudicial to the interest of the Company
 - (b) In the case of the loans granted to the bodies corporate listed in the register maintained under section 189 of the Act, the borrowers have been regular in the payment of the principal and interest as stipulated.
 - (c) There are no overdue amounts in respect of the loan granted to a body corporate listed in the register maintained under section 189 of the Act
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) The Company has not accepted any deposits from the public.
- (vi) In our opinion and according to information and explanation given to us, the requirement of maintaining the Cost Records under Section 148 of the Act is not applicable to the Company.
- (vii)
 - a. The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees state insurance, income tax, sales tax, service tax and other statutory dues to the extent applicable to it. There is no outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable.
 - b. The Company does not have any dues of income tax or sales tax or wealth tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute.
- (viii) In our opinion and according to information and explanation given to us, the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank, Government or dues to debenture holders.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. And the Money raised by way of term loans were applied for the purposes for which those are raised.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

AJMERA REALTY VENTURE PRIVATE LIMITED (2016-2017)

- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not paid/provided for managerial remuneration during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

AJMERA REALTY VENTURE PRIVATE LIMITED (2016-2017)

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **AJMERA REALTY VENTURE PRIVATE LIMITED** ("the company") as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

AJMERA REALTY VENTURES PRIVATE LIMITED

Notes to financial statements for the year ended 31st March, 2017

1 Corporate information

AJMERA REALTY VENTURES PRIVATE LIMITED is a Private Limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is engaged in business of construction and development of property.

2 Summary of significant accounting policies

a. Basis of preparation of financial statements

The financial statements are prepared in accordance with the generally accepted accounting principles (GAPP) in India under the historical cost of convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rule, 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c Current and Non Current Classification

An asset is classified as current when it satisfies any of the following criteria :

- i. It is expected to be realized/ settled, or is intended for sale or consumption, in the company's normal operating cycle or
- ii. It is held primarily for the purpose of being traded or
- iii. It is expected to be realized/ due to be settled within 12 months after the reporting date or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date or
- v. The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other assets and liabilities are classified as non current

d Tangible fixed assets

Fixed assets, are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of fixed is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred. Cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

f Depreciation and Amortization

Depreciation on tangible assets is provided on the Straight Line Method over the useful life of assets prescribed under Schedule-II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated useful life on straight line basis, commencing from the date the asset is available to the company for its use.

g Impairment of Tangible and Intangible Assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generated units (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other asset or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset. In determining net selling price, recent market transaction is taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

h Inventories

Construction Materials and Consumables

Construction Materials and Consumables are valued at lower of cost or net realizable value. The Construction materials and consumables purchased for construction work issued to construction work in progress are treated as consumed.

Construction Work in Progress

Construction Work in Progress are valued at lower of cost or net realizable value. Cost includes cost of land, development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

Finished Stock of Flats

- i. Unsold Flats & Convenient Units are valued at cost.
- ii. Valuation of construction material is not considered on year to year basis.

i Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investment.

On initial recognized, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statement at lower of cost and fair value determined on an individual investment basis. Long-term investment is carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

j Revenue recognition

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

Revenues from services rendered are recognized pro-rata over the period of the contract as and when services are rendered. The Company collects statutory tax like service tax/vat etc. on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence it is excluded from revenue. Unbilled revenue is recognized to the extent not billed at the year end.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividends

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

k Retirement and other employee benefits

Employee benefits include Provident Fund, Employee State Insurance, gratuity and compensated absences.

Defined contribution plans

Retirement benefit in the form of provident fund and employees state insurance are defined contribution schemes. The contributions to the provident fund and employees state insurance are charged to the Statement of Profit and Loss for the year when the contributions are due.

Defined benefit plans

The Company operates two defined benefit plans for its employee, viz., gratuity and compensated absences scheme. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the Projected Unit Credit method. Actuarial gains and losses for both defined plans are recognized in full in the period in which they occur in the Statement of Profit and Loss.

Compensated absences, which are expected to be utilized within the next 12 months, are treated as short – term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats compensated absences expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the Projected Unit Credit method at the year-end. Actuarial gains and losses for both defined plans are recognized in full in the period in which they occur in the Statement of Profit and Loss.

Expenses incurred towards voluntary retirement scheme are charged to the Statement of Profit and Loss when incurred.

1 Foreign currency translation

Foreign currency transaction and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transactions.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date.

Exchange differences

Exchange differences on monetary items are recognized as income or as expenses in the period in which they arise.

m Income taxes

Tax expenses comprise current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted by the reporting date. Deferred income-tax relating to items recognized in equity is recognized in equity and not in the Statement of Profit and Loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situation where the Company has unabsorbed or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down may be reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income -tax Act,1961, it is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

n Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share , the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period are adjustable for the effect of all dilutive potential equity shares.

o Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

p Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

q Cash and cash equivalents

Cash and cash equivalent for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

r Investments

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

s Government Grants/ Deferred Income

Government grants/ subsidies have been recognized when there is a reasonable assurance that the conditions attached to them will be complied, and the grants/ subsidies will be received.

Government grants/subsidies relating to depreciable fixed assets are treated as deferred income which is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets. Unamortized Deferred Government Subsidy is carried to the Balance Sheet.

t Impairment of Fixed Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

u Regrouping of Previous Year Figures.

The company has regrouped / rearranged and reclassified previous year figures wherever required to conform to current year's classification.

AJMERA REALTY VENTURES PRIVATE LIMITED
